Parents/Guardians

This year Speech-Language Pathology service in school will continue to be based on *Classroom Based Intervention*. This means that Speech-Language Pathologist will be involved in the ongoing classroom activities. The students will be followed up in an environment which is more natural and comfortable to them. The Speech-Language Pathologist will be collaborating with the teachers and classroom staff to target the students' specific needs in the area of communication.

Please find attached with this letter a consent form which you will need to sign if you wish for your son/daughter to benefit from this service. It is important to sign this year's form (the attached) as well for the student to continue to receive the service.

In case of difficulties you can contact the Speech-Language Pathologist at Dun Manwel Attard Young Adults Resource Centre, Wardija on Thursdays.

Thank You,

  
**Katya Busuttil**

B. Sc. (Hons) Communication Therapy

Senior Speech-Language Pathologist
