Dear parents/guardians,

An activity for parents is going to be held on Wednesday 25th November 2015 and will give you the opportunity to work directly with the Centre's Cafe 1622 team of students and staff to prepare *ftiras*. The activity will commence at 9:30a.m.

Later that day, at 11a.m., speakers from WasteServ will also give a talk at the Centre focusing on Recycling. This session will also include discussions about the initiatives currently being organised at the Centre towards the same aim. This initiative is being held as part of the European Week for Waste Reduction and we urge you to attend and participate in this important cause.

There will also be a variety of fresh plants for sale at advantageous prices on the day. Profits made from these plants will of course be invested into our Centre and further improving our services for our students.

Students are kindly requested to bring the following **re-usable (not disposable)** items for use during food-related activities throughout the year: **cloth napkin (not paper), bowl, plate, teaspoon, fork, knife, spoon, a glass and a mug**. It is important that these items are made from re-usable plastic (not glass and not disposable) and that they are labelled with your son/daughter's name and surname.

Kindly complete the form below and send it back to us by not later than Thursday 19th November 2015.

I would like to attend the event above (preparation of *ftiras* with Cafe 1622 team and talk about recycling) on Wednesday 25th November 2015.
