Dear parents/*carers*,

On Tuesday, 31st May, 2016 the School Council together with the staff and the EkoSkola team wish to invite you for a Waste-Free BBQ at our Centre in Ħamrun. We have worked very hard to improve our impact on the environment and therefore ask you to support us in this green initiative by replacing any disposable items for this event.

Similar to last year, this BBQ is being organised instead of the token that the students were usually given on Celebration Day. Thus this activity, sponsored by the School Council, will be **free of charge for the students**. We invite you to join us and celebrate with your children on this joyous occasion. Food will include a starter, chicken burger, potatoes, bread, beans, ice-cream and water. This will be against the payment of €5.00 per person. At the end of the activity, transport will be provided to Valletta at a minimum charge of €1- *first come first served*.

May I remind you that half days will start on 1st June, 2016 (8.45am to 12.30pm).

On 28th June we will be having the I EVP reviews and students will not attend the Centre.

You will later be informed of the appointment dates by the concerned teachers.

Thank you.
