Gheżież ġenituri/ kustodji,

Nixtiequ nerġgħu noffrulkom l-opportunità sabiex waqt il-vaganzi tas-sajf li ġejjin ikollkom f'idejkom il-**kura ta' numru ta' pjanti żgħar**. Nibżgħu li waqt ix-xhur tas-sajf ma jkunx hemm min jieħu ħsiebhom; jibqgħu bil-għatx; jinxfu u jmutu. Għaldaqstant il-ħsieb huwa li intom taddottaw dawn il-pjanti u tiegħu ħsiebhom. Dawn ser jingħataw lilkom fl-**istess ġurnata tal-BBQ, fil-31 ta' Mejju 2016** fuq bazi ta' *first come first served*. Jekk ma tistgħux tattendu għall-BBQ jistgħu jingħataw lilkom f'ġurnata oħra. Iktar informazzjoni dwar il-pjanti tingħata lilkom dakinhar stess.

Kull m'għandkom tagħmlu huwa li tindikaw kemm tixtiequ taddottaw minn dawn il-pjanti billi timlew il-formola ta' hawn taħt u tibagħtuha lura lilna sa mhux aktar tard minn nhar il-**Ħamis 26 ta' Mejju 2016**.

Wara l-vaganzi tas-sajf dawn il-pjanti jingħabru lura sabiex it-tim ta' EkoSkola tkompli tiegħu ħsiebhom. Il-partecipazzjoni tagħkom f'din l-inizjattiva ser tkun ippremjata permezz ta' ċertifikat ta' rikonoxximent.

Ninkoraġġukom sabiex tgħinuna nkabbru u niproteġu dawn is-siġar sabiex l-istudenti tagħna u ġenerazzjonijiet futuri jkollhom l-opportunità li jgawduhom.

Nirringrazzjawkom tal-għajjnuna tagħkom.

Dear parents/guardians,

We would like to offer you the opportunity to **care for a number of plants** this coming summer again. Without your help however, these young shrubs might not make it through the harsh Maltese summer and we are therefore knocking at your doors and hearts to extend you the opportunity to lovingly foster and help us take care of these future trees.

These plants will be given **on the same day of the BBQ, that is, on the 31st May 2016** on first come first served basis. If you cannot make it on the day, we can give them to you on another day. More information about these plants will be given to you on the same day.

All you need to do is to let us know how many of these shrubs you are willing to foster by filling in the form below and sending it back to us by **Thursday 26th May 2016**. After the holidays, they will then be returned to the Centre, so that the EkoSkola team will continue nurturing these plants and helping them grow into strong trees. Your participation in this initiative will be rewarded with a Certificate of Recognition and will make it possible for our students to continue working with these treasured, endemic trees.

We urge you to help us grow and protect these trees so that our students and generations to come will be able to enjoy them as fully-grown trees. We thank you in advance for helping us make our world a greener space!
