Għeżejż ġenituri/kustodji,

Barra minn hekk ser ikellmukom ukoll fuq il-programm ta' terapiji li qed jingħataw.

Bħalma forsi tafu, iċ-Ċentru ta' Rizorsi għaż-Żgħażagħ, Dun Manwel Attard qiegħed iniedi programm ġdid ta' terapiji għall-istudenti tagħha. Dawn it-terapiji huma parti minn progett li huwa ko-finanzjat mill-Unjoni Ewropeja u l-Gvern ta' Malta taħt il-Fondi Soċjal Ewropej.

Aħna qed naħdmu fil-vičin mal-ġħalliema, *il-learning support educators* (LSEs) u *l-management* taċ-Ċentru biex, b'mod kontinwu, nevalwaw dawn it-terapiji biex ikollna informazzjoni čara fuq l-effett li qed ikollhom fuq l-istudenti li qed jipparteċipaw. Dan qed isir biex naraw jekk dawn it-terapiji qed jibbenfikaw l-istudenti u kif jistgħu jgħinu dejjem aktar biex l-istudent jagħmel kull progress possibbli. L-għan huwa li dawn it-terapiji, kif ukoll oħrajn li jistgħu jiġu offruti fil-futur, ikunu mfasslin b'mod li joffru l-aħjar sapporit lit-tfal tagħkom.

Bix nagħmlu dan qiegħdin nżommu f'kuntatt kontinwu mal-istaff taċ-Ċentru kif ukoll mat-terapisti. Huwa importanti ħafna wkoll li jkollna il-ħsibijiet tagħkom bħala ġenituri u għalhekk nixtiequ li nagħmlu kuntatt magħkom fil-ġimgħat li ġejjin biex niġbru l-esperjenzi tagħkom fuq dawn it-terapiji.

6th March, 2019

25/18-19

Dear parents/carers,

We would like to remind you on tomorrow's meeting which will be on the services offered by AĞENZIJA SAPPORT at 9.30 am and also information on the project of therapy programmes being offered.

As many of you are aware, the Dun Manwel Attard Resource Centre has recently introduced new therapy programmes which are available for students who wish to participate.

The therapies are part of a pilot project that is co-financed by the European Union and the Government of Malta, as part of the European Social Fund programme.

We are working together with the teachers, learning supporting educators (LSEs) and the senior management of the school to evaluate these therapies in terms of how helpful and beneficial they are to the student's development. This will ensure that these and other programmes that may be offered in the future are designed to offer the best possible support to your child.

In order to have a full awareness of how these therapies are reaching their goals we are holding different meetings with the school educators as well as the therapists, and we would also like to hear your feedback in the following weeks. As parents, you are the best placed to let us know the effect these therapies are having on your child's progress and well-being.

Further information will be provided at a meeting to be held on 7th March, at Dun Manwel Attard Resource Centre, Wardija.

We thank you in advance for your cooperation and look forward to seeing you at this meeting.

Regards

Nicholas Agius
