Għeżież ġenituri/kustodji,

Iċ-Ċentru tar-Rizorsi tal-Wardija ser jiddedika dan ix-xahar għall-Animali sabiex iżid l-edukazzjoni dwar il-ħarsien tal-animali u l-bżonnijiet tagħhom filwaqt li ser jingabru donazzjonijiet għas-santwarji tal-animali lokali. Għalhekk, matul dawn il-ġimgħat l-istudenti ser ikunu qed jipparteċipaw f'lezzjonijiet u attivitajiet relatati mal-animali. Intom imħegġa tipparteċipaw billi tibagħtu prodotti tal-ikel għall-animali. Dawn ser jingabru fiċ-Ċentru u mbagħad ser jitqassmu f'dawn is-santwarji skont il-volum li jingabru. Inħegġukom, biex tipparteċipaw f'din il-kawża ġusta biex b'hekk ngħinu lil dawn l-animali.

Grazzi

Dear parents/carers

The Wardija Resource Centre will be dedicating this month to Animal Awareness in order to raise knowledge and education about different animals and their needs, while also collecting some donations in order to help local sanctuaries. In this respect, over the coming weeks, our youngsters will be participating in several animal-related lessons and activities. You are kindly invited to join along in this initiative by supporting local sanctuaries by sending pet-food products. These will be gathered at the Centre and depending on the volume of donations gathered will be given out to one or more local sanctuaries. We encourage you to participate in this good cause and look forward to receiving your kind donations to help our four-legged friends.

Thank you

Nicholas Agius
Head of School
