Dear parents/guardians,

This year, once again, we will be organizing a walk to the cave of St. Martin. This is going to be held on **Friday 19<sup>th</sup> April 2024**. People from Alive Foundation will be joining us for this fun activity.

Alive Charity Foundation is a non-profit, non-governmental organisation funded by volunteer donations and contributions and pursuing charitable activities for the support of other charitable institutions, organisations, and individual causes. Their aim is to raise the status of health awareness and scientific research thus investing in long term gains. Alive organises philanthropic activities to collect donations to support projects based on the necessity of the current social and health environment.

It also conducts activities aimed at increasing awareness in health-related areas such as Breast and Prostate screening. Where possible these activities will be sport related to encourage the use of sports as a social activity and the means towards a healthy lifestyle.

As a school, we will be organising several fun fundraising activities, to be able to raise money for this charity. These events are going to be held on **Wednesday 10th, Thursday 11th and Friday 12th April**.

These activities will include, **hairdressing, make-up, hot dog & ice-cream/jelly, pyjama & crazy hair party**.

**Those who would like to help financially, can send a donation in aid of Alive Foundation in a separate envelope.**

**Please send the exact money together with the attached order by Friday 1st March.**

Thank you for your cooperation.

Regards
